Lawyers for the Movement

NIPNLG 2023 Annual Sponsorship Package

For more than 50 years, the National Immigration Project has fought to ensure due process in the immigration legal system and improve access to justice for immigrants. Every year we provide expert training, legal support, and mentorship to thousands of immigration and criminal defense attorneys. With members in nearly every state, we are always looking for ways to expand our offerings to meet the need for training and capacity-building in this complex field. **Help us support a strong and vibrant legal community working for immigrant rights by sponsoring us all year round for our upcoming trainings and events. Become a 2023 Sponsor today!**

Please note: Sponsors select one training or event (at the level desired) to accrue the benefits associated with that one activity.
